

CITY OF LAWRENCEBURG, INDIANA  
PARKS DEPARTMENT

PAT O'NEILL MEMORIAL PARK  
SWIMMING POOL, SPLASH PARK, AND ICE SKATING RINK

GUEST CODE OF SAFETY AND CONDUCT

For your safety and enjoyment at our Park, please carefully read all of the text below. Failure to follow any of the regulations, conditions, or instructions set forth below may result in serious injury to yourself or other individuals. Individuals not following Park rules and safety instructions will be subject to immediate ejection from the Park without refund.

**Safety 1st!**

**Safety is always #1 at the Park.** Our goal is to accommodate all guests to enable them to fully enjoy our Park.

Park Safety Standards - **General Principles.** Please understand that people may be excluded or removed from the Park in the interests of safety as determined by Park personnel.

This may include, but is not limited to, concerns with sight-disabled people who need adequate eyesight to safely engage in an activity, height and weight restrictions, mobility and/or use and existence of all limbs in a stable and coordinated manner, a clear and alert mind which is unaffected by mental disability or other hindrance, being under the influence of any substances (whether legal or illegal, drugs or medications, alcohol, or any other chemicals and substances), signs of heat illness, any loose headwear or clothing or apparel which may damage property or pose a hazard to a guest or others, and whether or not a person may appear to be ill or injured or otherwise unable to safely participate.

**Swim and Skate at Your Own Risk!** Although the Park has staff on site, including lifeguards for the swimming pool, any and all swimming, wading, diving, or other activity

in or around the water, and any and all skating, walking, running, or activity on or around the ice rink is expressly AT YOUR OWN RISK. This includes any minors or others in your charge or care. By entering the Park you expressly agree to hold harmless and indemnify the Park and the City of Lawrenceburg, Indiana, including its employees and volunteers, from any and all liability resulting in any injury to person or property, and agree to waive any right to any legal action and pay to the City of Lawrenceburg all costs of defending any such legal action.

**Pay Attention. Please watch where you are going.** The Park area is a crowded place with many distractions, elevations in surfaces, landscaping, man-made structures, patron possessions left lying around, etc.; this is the open, obvious and inherent nature of a **Swimming Pool or Ice Skating Rink environment**. **As such, the Park disclaims all liability, and shall not be held liable in any manner whatsoever, for any trip, slip, and/or fall you and/or any minor(s) in your care may suffer, nor for ANY INJURIES CAUSED FROM walking OR STUMBLING into objects or structures, OR FALLING OVER OBJECTS OR STRUCTURES.** By entering the Park, you expressly and automatically agree to this waiver of all such liability.

**No Running** (it poses a collision, trip, slip, and fall hazard).

**Slippery Surfaces.** Surfaces are very likely be slippery or wet—especially in bathrooms, on and around the pool, splash Park, and ice skating rink. By entering and using the Park, all guests expressly acknowledge and assume this risk.

**Dress for Safety.** No unsafe or inappropriate clothing or accessories are permitted. We reserve the right to disallow any clothing or accessories deemed unsafe or inappropriate and to refuse entry for this reason. This is strictly at the discretion of the management and/or staff on site at the time.

**No Monkeying Around.** No climbing on or hanging from any structures, trees, lamp posts, wiring, door frames, rain gutters, etc.

**Diving Boards** . Please adhere to the following safety rules:

- a. Dive straight off the board, do not jump off the side of the board.
- b. Only one person is to be on the board at a time.
- c. The use of a ring floatation device is prohibited.
- d. NO HANDSTANDS, or FLIPS off of the boards.
- e. No hanging from the boards, or sitting on the boards.
- f. The diving boards may be closed by the lifeguard on duty for open swim in the deep end.
- g. There is no swimming in the Deep End while diving boards are open.
- h. Dive at your Own Risk. Weight limit of boards is 250 pounds.

**Pool Slide Rules** .

- a. Always slide feet first. NO STANDING.

- b. Children must be at least 3 ½ feet tall and be able to swim in order to use the slide by themselves.
- c. If less than 3 ½ feet tall, a person of at least 18 years of age may take the child down the slide.
- d. One person on the slide at a time.
- e. The use of flotation devices, swim rings, or arm floats is prohibited on the slide.
- f. No goggles or face masks are allowed while on the slide.

#### **Ice Rink Rules .**

- a. Wear proper skates and ensure that they are properly secured and in a safe condition at all times.
- b. Children must be accompanied by an adult at all times.
- c. Be aware of your surroundings and courteous to all other guests.
- d. Adhere to all instructions given by staff and management personnel.

**Stop! Parking is reserved for Safe Drivers.** Parking lots are, by their very nature, hazardous places where you must act cautiously and pay attention at all times for yourself and those in your care (minors, elderly needing assistance, disabled persons, etc.). **Please drive slowly and carefully at all times (including into and out of Parking spaces, or when entering or exiting the lot), realizing that children may be running about, that elderly or disabled may not hear or see your car, etc.** The Park shall not be liable for theft, break-ins, car collisions, or other property damage, and the Park has zero liability for anything occurring on public roads.

#### **WARNING! Assess Your Capabilities BEFORE You Participate**

The Pat O'Neill Park can provide our guests with wonderful memories and **exhilarating fun!** But, use of the swimming pool, splash Park, and ice skating rink involves physical activity that can result in injury, drowning, or even death if proper precaution is not taken. **KNOW YOUR OWN HEALTH AND SAFETY LEVEL** for swimming, wading, and ice skating. Make sure that you exercise all due caution and do not at any time participate in any activity that places your health or safety in jeopardy.

**DO NOT PARTICIPATE IN ANY ACTIVITY IF YOU ARE UNDER THE INFLUENCE OF ANY ALCOHOL, DRUGS (WHETHER LEGAL MEDICATION OR ILLEGAL SUBSTANCES) OR OTHER SUBSTANCES WHICH MAY AFFECT YOUR HEALTH, SENSES, AND BODY REFLEXES AND COORDINATION.**

**DO NOT PARTICIPATE IN ANY ACTIVITY IF YOU HAVE ANY HEALTH CONDITIONS OR PRE-EXISTING CONDITIONS OR INJURIES, OR IF YOU ARE TOO AFRAID TO PARTICIPATE, INCLUDING WITHOUT LIMITATION HEART, NERVE, MUSCLE, BACK, NECK, BONE, JOINT, BRAIN, EYE, EAR, OR OTHER AILMENT OR INJURY, OR IF YOU ARE PREGNANT OR HAVE HAD SURGERY IN THE PAST FEW MONTHS OR IF YOU ARE STILL RECOVERING FROM ANY ILLNESS OR MEDICAL CONDITION, TREATMENT, OR PROCEDURE. ONLY YOU CAN DETERMINE IF YOU FEEL GOOD ENOUGH TO SAFELY PARTICIPATE IN AN ACTIVITY. THE PARK**

DOES NOT, AND CANNOT, GUARANTEE YOUR HEALTH, AND YOU FULLY ASSUME ALL RISKS OF ANY PARK RIDE, ATTRACTION, OR ACTIVITY IN WHICH YOU CHOOSE TO PARTICIPATE.

## **Guest Responsibility**

Each guest at our Park has legal and moral obligations to act responsibly at all times. The activities available at the Park are **physical activities which pose inherent risks**. You must at all times act in a responsible manner to safeguard your own health and safety, **and refrain from anything which poses a risk to others**. **Carefully read and obey all** warning signs and instructions, as well as management and staff instructions. To the extent possible, observe others in action before **engaging in the activity yourself**. Watch where you are walking. Ask questions of management and staff.

## **Be safe and have fun!**

We care deeply about all of our guests, and want everyone to have fun and create happy memories that last a lifetime. That is why safety must always come first, above and beyond anyone's desire to participate in any activity or area of the Park. **In addition**, if the Park determines, in its sole discretion, that you are not able to safely participate, we may prevent you from doing so.

Remember - **safety is a shared responsibility!** The Park can only do so much to keep you safe—it is up to you, as well. **We can't** protect people from the consequences of **their own reckless or irresponsible behavior**. **You must act responsibly for your own health and safety, and for that of others**.

Finally, if at any time you feel you need help due to an injury or medical concern, please immediately notify a staff member and ask for help.

Thank you very much for your understanding and cooperation!

## **Guests with Disabilities**

**Welcome!** Our goal is to accommodate our guests with disabilities to the fullest extent possible and in compliance with the law. Most of our attractions, shows, and restaurants are accessible to guests with disabilities, including, among others, those using wheelchairs.

If you (or someone you are responsible for) have a particular disability or special need, we encourage you to contact the City of Lawrenceburg and speak with the ADA Compliance Office at least 48 hours in advance of your visit to better assist us in **preparing for your visit**. **If you have a group of disabled persons, a week's** advance notice would greatly help us to better serve you.

City of Lawrenceburg ADA Compliance Office: (812) 532-3562

Mike Abdon, Safety Director; Carl Fryman, ADA Coordinator; Daiane Hyde, ADA Coordinator Assistant

While the Park complies with federal and state disability and accommodation laws, there may be some activities or areas of the Park which may not be safely accessible to all persons. At the Park, **safety is the only consideration that takes precedence over fun!** The activities at the Park are physical in nature and may not be acceptable or tolerable to some guests, and may cause injury to some guests with known or unknown pre-existing conditions.

In general you should only participate in physical activities at the Park if you are in good health. Do not participate in physical activity if you know you are, or suspect that you may be, pregnant, have high blood pressure, heart, neck or body problems, motion sickness, recent surgery, or any other medical condition that may be affected by the features of the Park. You should not participate in any activity if you have any impairment or condition that would prevent the intended use of safety equipment, or an **inability to follow any safety requirement.**

Please note that the Park does NOT provide medication, insulin, or other medical treatments or devices, other than basic first aid. Please plan your visit accordingly.

## **Weather Safety**

**Weather is unpredictable, and can pose certain health and safety hazards.** For example, if you are sensitive to heat, you should consider not visiting the Park on a hot day, **stay hydrated, and/or limit your time outside.** Or, if you have poor mobility or stability, it might be better for you not to come on a wet day where things might be more **slippery.** **Only you can make informed decisions about weather forecasts and whether or not any given day would be appropriate for a Park visit.**

Wet weather (including mist, humidity, rainstorms, flooding, etc.) makes surfaces **slippery.** **On wet days, please exercise extra caution when moving about the Park, going up or down stairs (hold handrails), entering or exiting the pool, splash Park, or ice skating rink, using bathrooms, etc. Do not step directly into streaming or puddled water, as it may carry mud or other debris, posing a slip hazard.**

Storms (wind, rain, lightning, hail, etc.) tend to result in people scrambling for shelter, **including in buildings or racing to get back to their car.** **People running in stormy weather pose slip/trip/fall hazard for themselves and others.** **People may be darting through Parking lots, or around corners.** **Please proceed in an orderly and controlled fashion when seeking shelter from poor weather conditions.**

In certain severe weather situations, the Park may shut down rides, and direct people to certain areas, or direct people to leave the Park **altogether.** **Please make sure to obey all Park instructions, if any are given.**

Hot weather poses a risk of sunburn and heat illness. People may not realize how much they are being impacted by hot weather until they develop heat illness.

### **Some guidelines for heat:**

Always stay hydrated with water. Alcohol, overeating, and/or eating/drinking large amounts of sugar are not advised.

Use sunscreen on all **exposed areas of your body**. **Reapply frequently**. If you have been in the sun for prolonged periods, or if it is especially hot and/or humid, take breaks as needed from your activities, and relax in a shaded or indoor area to allow your body to **cool off**. **Drink water to hydrate**.

Heat Exhaustion: Look for the warning signs of heat exhaustion, which include fatigue, nausea, headaches, weakness, slowed or weakened heartbeat, clammy skin and drenching sweat (often while feeling cool or cold), fainting or dizziness, excessive thirst, confusion, or **anxiety**. Although heat exhaustion is generally not fatal, it can be—so you must take this issue seriously and take remedial measures by getting to a cool place **and sipping water**. **Park** staff should be alerted to any heat illness issue you or a person in your group may be suffering from. We are here to assist you.

**Warning - Heat Stroke: Heat stroke can be fatal! It is the advanced form of heat-related illness, which can occur suddenly, particularly in extremely hot weather.** If you or someone in your group experiences symptoms of heat stroke, **GET IMMEDIATE MEDICAL ATTENTION** by alerting our staff and/or calling 911. **Symptoms include** mental confusion/delirium, loss of consciousness, very rapid or dramatically slowed heartbeat, rapid rise in body temperature, drenching sweats that turn into a marked decrease in sweating accompanied by hot/flushed skin, shortness of breath, blood in urine, and/or convulsions.

## **No Animals**

Animals of any kind (e.g., dogs, cats, rabbits, gerbils, lizards, snakes, pigs, hamsters, turtles, birds, tarantulas, rats, mice, monkeys, ferrets, mini-horses, etc.) are not allowed in the Park, except for legally-defined service dogs or as may otherwise be required by law to assist those with disabilities (“disabilities” being defined by the Americans with Disabilities Act or other applicable laws). If you claim to have a legally-qualifying “service dog” you will be required to verify its legitimacy, pursuant to applicable legal requirements which are then in effect. A “service animal” is defined by law, and not by a person’s personal desires. For example, a “companion” animal, or an animal that brings “emotional comfort,” or a dog which serves as “personal security,” does not qualify as a legal “service animal.”

Even if a “service animal” is verified, and allowed to enter the Park, please be aware that you are still responsible for controlling it at all times. A service animal is also prohibited from all rides, because rides are built for people, and because animals cannot be safely contained or restrained on amusement rides, they would thereby pose a serious safety

hazard. Animals are also prohibited from going into or on any water ride or attractions, because of hygiene concerns, in addition to safety concerns.

Please understand that we may require removal of your service animal from Park property if it poses a threat to persons or property, including without limitation, if it is unruly, threatening, aggressive (barking, snarling, biting at patrons, etc.) and/or if you are unable to control your animal at all times.

You must make sure that your service animal has gone to the bathroom before coming to the Park. **Once at the Park**, if your animal needs to “go,” please do your best to steer the animal to an area off to the side on a grassy area, away from other patrons, if possible. **We encourage you to ask a staff member to where** your animal might be directed. **Please also be aware that guests are expected to clean up after their animals**, and that failure to do so may result in the service animal’s expulsion from the Park.

It is prohibited to leave animals in a car while patrons enjoy the Park; in such event, animal control (or other government authority) may be called, and your car forcibly entered into, in order to attend to the health or safety needs of an animal. **You will have to pay all such costs involved in the rescue of any pet left in a car**, and may face animal cruelty charges from local authorities.

## **Children - Notice to Parents & Guardians**

Children under 8 years of age may NOT be at the Park **without adult supervision**. Regardless, we strongly recommend that minors (under 18) be accompanied by an adult.

The Park does not assume any responsibility or liability for unattended minors; children and the behavior of all minors are the sole responsibility of their parent(s) or guardian(s), and parents/guardians may be held legally liable for all acts of the children under their care. **Please make sure that minors act responsibly, and in consideration of others, at all times.** For example: No running; no twirling on banisters; no climbing on structures, or sitting on fences; no “horseplay” (e.g., wrestling, gymnastics, playing “tag,” throwing rocks or other items at each other, etc.) especially on rides, ride lines, in food areas, or **around other guests.**

Please remember that the Park is NOT a daycare facility. Anyone choosing to leave their minors at an amusement Park is still responsible for them—in no event does the Park assume that responsibility. Minors in violation of Park rules may be ejected or detained, in the Park’s discretion, as evaluated **on a case-by-case basis**. **While the Park** may in good faith attempt to contact a minor’s parent/guardian to have them picked up out of concern and courtesy, in no event will the Park be held responsible if a minor leaves the Park, or for anything occurring after a minor has left the Park grounds.

We greatly appreciate your help in responsibly monitoring and controlling any minors in your care.

If you cannot locate your child in the Park, our Park **staff is here to assist you**. Please feel free to alert a staff member who will be happy to assist you in locating **your child**. **That said, please note that we do not page guests**. We recommend that, as you enter the Park, you decide on a meeting place in the event you become separated from any minors under your care.

## **Rules of Guest Behavior**

All guests must behave in a family-friendly and courteous manner, and in a manner which is **safe for themselves and for others**. **Violations may result in ejection from certain rides, attractions, areas of the Park, or from the Park itself, without refund or other compensation**. The following is strictly prohibited, subjecting the violator to ejection without refund:

**Smoking.** Smoking of any substance, through any means, is not permitted, including without limitation, cigarettes, pipes, cigars, hookahs, marijuana, bong, or electronic cigarettes.

**Medical Marijuana?** Marijuana is strictly prohibited on premises, whether in the Park or in the Parking lots, or anywhere else on, in, or around, Park grounds. If you have a medical marijuana card, this does NOT entitle you to have marijuana on Park grounds. Anyone in possession of marijuana, or using marijuana, will be ejected from the Park, and possibly subject to criminal charges from local authorities.

**Electronic Cigarettes?** No electronic cigarettes, period. There is no way whatsoever for the Park to determine what is actually in such devices, nor whether such a device is actually for “smoking” and not a weapon or some other sort of device. Minimally, electronic cigarettes are annoying and/or a concern to the majority of our patrons who do not wish to be subjected to whatever substance people may be “smoking.”

**Offensive Conduct.** We run a family-friendly Park, where people should be courteous of one another. Prohibited conduct includes profanity, cursing, making offensive comments or gestures, pushing, spitting, flashing of body parts, and other offensive conduct.

**Fighting.** The Park does not tolerate fighting, nor invitations or challenges to fight, nor the threat thereof (whether to an intended victim or comments in general expressing a desire or intent to hurt another person). You may also be ejected for any pushing, roughness, “chest bumping,” making aggressive moves (e.g., clenching fists, getting face-to-face with another, getting into a fighting stance, etc.), or other physically aggressive conduct.

**Unruly Behavior.** “Horseplay” in any amusement or water Park setting can be dangerous to you and to those around you. Accordingly, all manner of “horseplay” is prohibited, including without limitation, jumping over any objects (benches, fences, etc.), diving or jumping into water structures, climbing on trees or structures (buildings, lamp posts, etc.), standing on tables or chairs, climbing up or jumping over barricades,

wrestling, playing tag or chasing each other, throwing items (shoes, food, rocks, sticks, etc.), jumping down stairs, twirling around banisters, gymnastics-like activities (kart wheels, flips, splits, handstands, etc.), or any sports-like activity (throwing a football or Frisbee, kicking a soccer ball around the Park, etc.). **Please walk through the Park (no running), stay on the walkways, and always watch where you are going. Refrain from entering any landscaped areas—landscaped and planted areas such as flower beds are not meant for guests to tread upon! Exercise caution when going up or down stairs, or when traversing any areas with tree roots.**

**Property Damage and Theft.** Any damage to or destruction of Park property (or the property of another), or theft of any property, will not be tolerated. Offenders will be ejected from the Park, and may be held for authorities.

**Diving.** Diving, “flops,” flips,” or “cannon balls” are prohibited at all times.

**Entry into Employee-Only and other Non-Guest Areas.** Many non-guest areas can pose deadly hazards—DO NOT ENTER! Guests are strictly prohibited from entering any area with obvious signage such as, “EMPLOYEES ONLY,” “NO ACCESS,” “KEEP OUT,” or “DO NOT ENTER.” However, it is also common sense that guests should refrain from entering any maintenance areas, work shops, offices, tool sheds, electrical rooms, etc., whether or not such areas are marked with signage. Offenders are subject to immediate ejection from the Park, and where appropriate, such persons may be held for law enforcement. Parents who allow their minors to engage in such activity will also be ejected.

Please DO NOT LEAVE SHOES, TOWELS, BAGS, OR OTHER ITEMS ON PATHWAYS AND STAIRS, WHERE SUCH ITEMS MAY POSE A TRIP HAZARD. Rather, place personal items under deck chairs and out of the walkway. **Please be considerate of others.**

## **Dress Code - No Inappropriate Clothing or Nudity**

In keeping with a family-friendly environment, the Park prohibits clothing that would tend to be offensive and/or too revealing of one’s body. This includes the following rules, which may also be supplemented on a case-by-case basis as determined by the Park, in its good faith discretion and without further notice:

**Park Attire -** Appropriate and safe clothing is required at all times. (e.g. all “private” body areas must be appropriately covered, and the Park does not allow revealing undergarments). Appropriate swimwear is required. Swimwear which is too provocative or revealing, including without limitation, transparent or mesh-style material, is prohibited.

Masks, horror, or Halloween-style attire is not permitted. We do not permit clothing that depicts violence.

Appropriate “public” clothing. No pajamas, bath robes, lingerie, indoor slippers, costumes of any kind, etc.

No vulgar or offensive tattoos, statements, or artwork on clothing. This includes curse words, depictions of sexual acts or nudity, depictions or messages of violence, and racially or religiously divisive/hateful material.

No gangland clothing, hand-signs, “colors,” or tattoos.

## **Weapons, Selfie Sticks, Hoverboards, & Other Prohibited Items**

All of the following are strictly prohibited items which will (minimally) subject the guest to immediate ejection without refund, and which (where appropriate) may result in the Park contacting authorities for law enforcement action, and holding the guest at the Park to await the authorities. **The Park reserves the right at all times to conduct Bag Checks (and to utilize other security measures, such as metal detectors), and to refuse entry (without refund) to anyone refusing a thorough bag check or to comply with other security measures.**

**Weaponry and Inherently Dangerous Objects/Substances.** Weaponry of any kind is strictly prohibited at the Park, including without limitation in parked cars, concealed on one’s person, or carried in bags, including without limitation: **Firearms, knives and other cutting instruments, letter openers, scissors, box cutters, bats, billy clubs, blackjacks, collapsible canes, arrow tips, projectiles, crossbows and sling-shots of any size, mace, pepper spray, tasers, brass-knuckles, chains, canes carried as a weapon or which conceal a weapon, martial arts weaponry, anything which is intended to be used to bind or subdue people such as slip-ties or handcuffs, and tools (screwdrivers, pliers, hammers, chisels, pruning shears, multi-tool knives, etc.).** Additional prohibited items includes anything which is inherently dangerous to persons or property, which could be used as a weapon or which could foreseeably cause harm to persons or property, including without limitation, fireworks, explosives or detonation devices of any kind, ammunition, hazardous chemicals or other substances, including acids or other items which appear suspicious to Park personnel.

**Selfie-Sticks** (including without limitation any other form of photographic tripod, or hand-held camera extension device), are strictly prohibited in the Park. **You will be blocked at the entrance if you have a selfie-stick on your person, and you may be ejected without refund if you are found to be in possession of a selfie-stick on Park grounds.** Selfie-sticks pose significant safety and security hazards.

**Hoverboards**, skateboards, unicycles, stilts, pogo sticks, spring-loaded footwear, Segways, bicycles, and other mobility devices, roller skates and other toys or mobility-methods of convenience. (If you need a wheelchair or scooter, we are of course happy to accommodate you; please see our **Guests with Disabilities** section herein). Amusement Parks are crowded places, and the only way to keep our common areas safe is to ensure that people do not have devices which create an unreasonable and heightened risk of injury to people.

Spray paint, magic markers, glass objects or bottles, spiked clothing, jewelry (which is large, sharply edged, or spiked, such that it poses a safety concern).  
Folding chairs, beach umbrellas, tents.

Radios/boom boxes, musical instruments.

## Security at the Park

The Park **strives to make your experience a happy one, in all respects.** Unfortunately, there is **no way that we can erase the wicked intent of some people.** Therefore, please understand that the Park cannot, and does not, guarantee your personal security or that of your personal property (even if placed in a locker), and in no event will the Park be held liable for your lost, stolen, or damaged possessions. If you need to store your possessions, ask the Park **about lockers.** **If you have loose items, please have a friend or family member hold them or put such possessions in a locker.**

It is the unfortunate truth that at any amusement Park, or at any place in society, no amount of security can prevent people from acting in a criminal manner if they are intent **on so acting.** The Park can only try to reasonably watch over the premises and the people therein, and **respond in a professional manner to any security threat or incident.**

If you experience a security issue, please notify Park staff; we are here to assist you.

## Photography - Personal & Commercial

Guests are welcome to take pictures of themselves, their friends and family, their group, and the scenery in general, for their own personal use. **However,** no one is permitted to take photographs of others who object, or which violate another's privacy, rights to **publicity, or which are harassing, stalking, or threatening.** **Image taking or recording is strictly prohibited, under all circumstances, in bathrooms, changing rooms, and locker areas; violators may be held for law enforcement, and are subject to arrest and prosecution.**

The Park **May Take and Use Images & Video of All Guests.** The Park at all times reserves the right to videotape patrons, and take still images, and to utilize those images and videos for any reason, including marketing, advertising, promotion, on social media, live streaming on the Internet, for safety and security, for documentation as evidence in a legal or criminal matter or other investigation, for news reporting, and otherwise in an **unrestricted manner for legitimate purposes.** **All property ownership of such materials, and copyright in and to all such materials, shall belong exclusively to the Park in perpetuity, without any compensation or other consideration to any guest or other person in, on, or around the Park property.**

**Commercial.** Commercial photography of any kind is strictly prohibited (including without limitation, still or moving images, modeling shots, student films, comedy routines, documentaries, commercials, TV news, major motion picture films, Internet soap operas, reality TV, actor demo reels, submission videos for reality TV, footage as

part of a school project, documentation of stunts and dangerous activities (whether for commercial use or not), promotional videos, music videos, cable programs, etc.), except where prior, written permission has been obtained from the Park's owner in the form of a contract signed by an executive within Park's corporate office.

In any event where unauthorized videos or images have been uploaded to any social media channel, the Park shall have the unrestricted and exclusive right and authority to **have such materials removed**. Any materials which defame the Park may result in legal action for damages, and the Park shall have absolute right and authority to obtain both temporary and permanent injunctions from the further use or dissemination of such material, in all channels and all mediums of communications, throughout the world, whether now known or hereafter devised, and to obtain all materials and obtain an order for the destruction of all such materials.

## **Drones - Prohibited & Illegal**

Use of drones (in, over, or around the Park), whether for photographic purposes or otherwise, is strictly prohibited (unless the user has been granted written, contractual permission for that specific instance from an officer of the Park or its parent entity). Violations may subject the user to immediate ejection, confiscation of the drone, and referral of the matter to authorities. Drones are a serious safety hazard to ride operations, Park operations (including electrical facilities), and to the Park's guests and personnel. Use of drones in, over, or around the Park, also constitutes an illegal trespass, an invasion of the Park's privacy, and a tortious interference to our operations.

## **Food & Beverage**

The Park has a wide assortment of foods and beverages available, including bottled **water**. **Contact the** Park if you desire more specific information not available on these web pages.

To our guests with food sensitivities, allergies, or special dietary needs: Our food outlets prepare and serve products sourced from third parties, which contain peanuts, tree nuts, fish, shellfish, eggs, milk, soy, and gluten. Regular kitchen operations involve shared cooking and preparation areas, and food variations may occur due to differences in suppliers, ingredient, substations, recipe revisions, and /or preparation at the Parks. As such, we regret to inform you that THE PARK CANNOT, AND DOES NOT, MAKE ANY REPRESENTATIONS OR GUARANTIES WHATSOEVER REGARDING THE ALLERGY-FREE CONTENTS OF ANY FOODS OR BEVERAGES, OR THE SAFETY THEREOF (ESPECIALLY WITH REGARD TO ANY ALLERGIES).

**Check back for additional Park Food & Beverage restrictions.**

## **Breast Feeding**

The Park welcomes all breastfeeding mothers and their children and (in accordance with applicable law) does not discriminate against breastfeeding mothers. Park staff may approach a breastfeeding mother to offer a more shaded or private area to breastfeed, but we only do so in a sincere attempt to provide a breastfeeding mother with more comfort or privacy if she so desires it; we will never demand that a breastfeeding mother must relocate, nor do we discourage a mother from breastfeeding wherever she has a right to be.

## **Non-Park Activities - Politics, Protests, etc.**

The Park does not allow any non- Park activities by guests, including without limitation, political activities, fundraising (unless previously approved by City Council), organized or group religious practices or rituals, demonstrations, exercise classes, athletic team practices, unauthorized commercial activities, or protests, anywhere on-site, nor anywhere outside the Park's perimeter where such activities may interfere with Park operations, guest attendance or enjoyment, or traffic flow into/out of/around the Park, or which would compromise safety and security. At a minimum, any protests/demonstrations must be outside of the Park's property and at least 500 feet away from all Park entrances/exits. Anyone violating this rule on or within Park property will be subject to immediate removal from Park premises.

## **Swimming Lessons**

The Park offers paid swimming lessons that will be administered by our staff and overseen by management. All swimming lessons occur at your own risk, and the Park accepts no liability for any injuries that occur during swimming lessons, up to and including death. Minor children should have a parent or guardian available at all times to monitor and assist the child, and any and all physical and/or medical conditions that could affect the student's ability to swim or participate in swimming lessons should be carefully considered before starting lesson. By participating in swimming lessons you expressly indemnify and hold harmless the Park and the City of Lawrenceburg, as well as all employees and volunteers, and further agree to waive any legal action and pay for the legal costs of defending such action by the City of Lawrenceburg.

## **Operational Policies**

Hours of operation are 12:00pm- 7:00pm, 7 days a week.

Admission: Free to residents of the City of Lawrenceburg (must fill out an application, have a photo ID and proof of residency i.e.: utility bill, phone bill, cable bill or other type of monthly billing statement). Non residents- \$5.00 per day, \$50.00 individual pass per year, or \$150.00 per family pass per year up to 4 people (you may add 2 additional on a pass for \$35.00 per person,). Senior discount of \$2.00 daily admission and \$25.00 for an individual pass (age 60 & older).

In lieu of signed, written waivers, all patrons expressly agree that, upon entering the Park, they expressly agree to hold the Park harmless for any and all harm to person or property. Patrons further agree that entry into the premises constitutes consent to any medical attention required, in the Park staff's sole discretion, as a result of injury or other medical emergency.

Children 8 and under must be accompanied by an adult at all times.

Adult Swim times are every hour beginning at 1pm for 15 minutes. The baby pool will be closed during this time. You must be at least 18 years of age or older to swim during adult swim time. Children 5 & under may be in the pool with an adult at least 18 and older.

Prices and operating schedule are subject to change without notice.

All attractions are subject to temporary maintenance, safety, or inclement weather shutdowns.

These Park Rules & Policies are not comprehensive, and are subject to change without notice. The Park may have numerous additional rules and procedures applicable to guests which, if not followed, may subject the guest to ejection without refund.

## **Questions or Need Additional Help?**

For information on rides, lockers, ride accessibility, wheelchair rentals, booking group events, and other information, you can contact the Pool by phone at (812) 537-3860 or by email at [pool@lawrenceburg.in.gov](mailto:pool@lawrenceburg.in.gov).

**THANK YOU FOR YOUR PATRONAGE. WE LOOK FORWARD TO  
MAKING YOUR VISIT SAFE, JOYOUS, AND FILLED WITH HAPPY MEMORIES!**
